

20th November 2009

Sirs,

our Company, Vitatene SA, would like to bring to your attention that as of today B&D Nutritional Ingredients does no longer distribute our products in the US Market. While thanking B&D for the valuable collaboration given during the past years, we are pleased to inform you that our products are available ex inventory from Messrs American International Chemical, Inc.

AIC will be pleased to provide you with the new contact details in order to give continuity to our business relationship

AIC:

phone +1-800-238-0001 EXT 2287

fax +1-508-872-5737

Email: ORDERS@AICMA.COM
