### תעודת כשרות - Certificate of Kashrut

This is to certify that the following product **Zinc Sulfate**, produced and packaged by **Shin-Yo Co., Ltd.** at its factory located in **Shiojiri City, Nagano Prefecture**, is under my supervision and it is strictly kosher parve (כשר פרוט) and kosher for Passover (כשר לפסח).

I have looked into the raw materials, the manufacturing process, and made an on-site inspection at the plant on July 08, 2010.

This certificate of kashrut is valid through July 15, 2012, and it is subject to renewal at that time.
