

AIC offers a wide range of Industrial Chemical products available in various package sizes. AIC's long-term partnerships with leading manufacturers insure a consistent source of supply of quality products for all types of industrial applications.

**ACETATES**

- Ammonium
- Calcium
- Copper
- Sodium
- Zinc

**ACIDS**

- Benzoic
- Cyanuric
- Fumaric
- Malic
- Oxalic
- Sulfamic
- Tartaric

**ALUMS**

- Aluminum Ammonium Sulfate
- Aluminum Potassium Sulfate

**BISMUTH COMPOUNDS**

- Nitrate
- Oxychloride
- Subcarbonate
- Subsalicylate
- Trioxide

**OXALATES**

- Ammonium
- Potassium
- Potassium Binoxalate
- Potassium Tetraoxalate
- Sodium

**PERSULFATES**

- Ammonium
- Potassium
- Sodium

**SODIUM COMPOUNDS**

- Benzoate
- Diacetate
- Erythorbate
- Fluoride
- Tartrate

**STEARATES**

- Aluminum
- Calcium
- Lithium
- Magnesium
- Sodium
- Zinc

**THIOCYANATES**

- Ammonium
- Potassium
- Sodium

**MISC. INDUSTRIAL PRODUCTS**

- Ammonium Sulfamate
- Carbamide Peroxide /Urea Peroxide
- Chelating Agents
- Copper Sulfate
- DTPA
- EDTA's & Salts
- Ethylene Bis Stearamide
- Glucosheptonate
- Guar Gum
- Glycerine
- Iodates
- Iodides
- Magnesium Carbonate
- Magnesium Chloride Anhydrous
- Manganese Sulfate
- Potassium Bromate
- Potassium Permanganate
- Reagent Chemicals (Separate List Available)
- Rochelle Salts
- Silicon Dioxide
- Zinc Sulfate Heptahydrate
