## SPECIFICATION SHEET

### ETHYLENE-BIS-STEARAMIDE Finawax C Beads

| Code No. | SCN No. | CAS No.  | Effective Date  | Product Manager | Rev. No. | Approved By |
|----------|---------|----------|-----------------|-----------------|----------|-------------|
| EBSFIB   | 2600    | 110-30-5 | August 19, 2008 | PWS             | No. 1    | MPR         |

|                         |                    |
|-------------------------|--------------------|
| <b>CHARACTERISTICS:</b> | Fatty bisamide wax |
|-------------------------|--------------------|

|                        |                          |                       |
|------------------------|--------------------------|-----------------------|
| <b>SPECIFICATIONS:</b> | Appearance               | White beads or powder |
|                        | Acid value               | 8.0 max               |
|                        | Iodine value (acid used) | 0.5 max               |
|                        | Melting point            | 140° C min            |

|                         |             |
|-------------------------|-------------|
| <b>STOCKING POINTS:</b> | Houston, TX |
|-------------------------|-------------|

|                   |            |
|-------------------|------------|
| <b>PACKAGING:</b> | 25 kg bags |
|-------------------|------------|

|                      |  |
|----------------------|--|
| <b>APPLICATIONS:</b> | Internal lubricant for ABS, surface lubricant for rubbers and metals |
|----------------------|--|
