## SPECIFICATION SHEET

### NATURAL VITAMIN E ALCOHOL 1000IU LIGHT USP (d-alpha tocopherol 1000IU Light - TamaE-F1000GL)

Code No.	SCN No.	CAS No.	Effective Date	Product Manager	Rev. No.	Approved By
NE2TJO	1245	59-02-9	June 2, 2011	LR	Rev. 1	RVK

<b>CHARACTERISTICS:</b>	Clear, yellow to yellowish brown viscous oil with a slight characteristic odor. Gardner Index color 4 to 7. Each gram of this product contains not less than 671mg of d-alpha-tocopherol, equivalent to 1000 IU. Material is derived from Soybean Oil.
-------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<b>SPECIFICATIONS:</b>	Identification	
	A – Red to orange color development	To pass test
	B – Specific rotation	+24 ° min
	C – GC retention time of the major peak	To pass test
	Acidity (0.10N NaOH/g)	1.0 ml/g max
	Heavy metals	10 ppm max
	Arsenic	1 ppm max
	Assay (d-alpha Tocopherol)	67.1% min
	Benzo(a)Pyrene	1.0 ppb max
Residual solvents – Class 2 solvents	Meets requirements	

<b>STOCKING POINTS:</b>	Carson, CA
-------------------------	------------

<b>PACKAGING:</b>	180 kg steel drums, 4 drums/pallet 50 kg drums are available for minimum 1MT order/commitment, allow 6-8 weeks for delivery
-------------------	--------------------------------------------------------------------------------------------------------------------------------

<b>APPLICATIONS:</b>	Natural vitamin supplements and food applications where lighter colored oil is preferred
----------------------	------------------------------------------------------------------------------------------

<b>OTHER:</b>	Kosher Certified (Manchester Beth Din), made in a cGMP plant; Non-GMO and Allergen free. <b>Note: Lead is tested on a random lot basis but guaranteed to meet USP limits on all lots.</b>
